

## Parent/Child Household Rules and Responsibilities Contract

*Because I am part of this family and receive a weekly allowance I understand the following:*

- I will be responsible for doing all of the dishes on alternating weeks. This will include, loading the dishwasher, emptying the dishwasher and making an effort to keep the sink empty. I will do my best to do this task without being asked.
- I will keep my room tidy and take my dirty laundry downstairs.
- I will take good care of my pet by feeding it and giving it fresh water daily. I will try to spend as much time with it as I can.
- I will complete any additional chores or tasks that my parents assign me, beyond bathrooms and dishes, without whining, complaining, throwing a fit, ect. And I will always do these tasks to the best of my abilities.
- I will always put 100% effort into school and homework.
- I will not have a negative attitude towards school or homework.
- I will complete and turn in my homework on time.
- I will maintain grades of B's and above. If I fall below a B- at anytime, I will put every effort into bringing the grade up. If I fail to do so by report card time, it will be up to my parent's sole discretion to determine the consequence(s).
- In order to have the privilege of doing extracurricular activities, such as sports or other clubs, I will maintain grades of B's or higher. If I fall below a B- at anytime, I understand that my parents may restrict my involvement in extracurricular activities.
- School and homework will always be my number one priorities.

If I fail to abide by these rules, my parents can and will take away privileges as appropriate. This can include taking away my cell phone, restricting my screen time, restricting my social time, and any other privilege they decide upon.

My parents reserve the right to make exceptions to these rules at any time, for any reason.
